**UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA  
SAN FRANCISCO DIVISION**

GOOGLE LLC,

Plaintiff,

v.

SONOS, INC.,

Defendants.

Case No. 3:22-cv-04552-AMO

**JOINT STATUS REPORT  
PURSUANT TO DKT. 20**

1 Pursuant to the Court's order of November 5, 2024 (Dkt. 20), Plaintiff Google LLC  
2 ("Google") and Defendant Sonos, Inc. ("Sonos") submit this joint status report regarding this case.

3 On August 8, 2022, Google filed its complaint asserting infringement U.S. Patent Nos.  
4 10,593,330, 10,134,398, and 7,705,565 (the "'330 Patent," "'398 Patent," and "'565 Patent,"  
5 respectively). Dkt. 1.

6 On August 9, 2022, Google filed a complaint in the ITC alleging a violation of Section 337  
7 of the Tariff Act of 1930, as amended, 19 U.S.C. § 1337 ("Section 337") based on alleged  
8 infringement of the same three patents. The ITC instituted an Investigation responsive to Google's  
9 complaint, styled ITC Investigation No. 337-TA-1329 ("the 1329 Investigation").

10 On September 12, 2022, this Court stayed this case pending the disposition of the 1329  
11 Investigation. Dkt. 13.

12 On October 18, 2022, the ITC terminated the 1329 Investigation as to the '565 Patent.

13 On May 17, 2023, Sonos moved for summary determination in the 1329 Investigation that  
14 the '330 and '398 Patents are invalid under 35 U.S.C. § 112 as indefinite. Google has opposed this  
15 motion. This motion is still pending.

16 On May 15, 2024, the U.S. Patent Trial and Appeal Board ("PTAB") found the asserted  
17 claims of the '398 Patent and the '330 Patent invalid under 35 U.S.C. §§ 102, 103. Google has  
18 appealed these decisions to the Federal Circuit. Google filed its opening appeal brief on November  
19 18, 2024.

20 On July 31, 2024, Sonos moved again for summary determination in the 1329 Investigation  
21 that the '398 Patent and '330 Patent are invalid for the same reasons that the PTAB concluded these  
22 patents were invalid. Google has opposed this motion. This motion is also still pending.

23 The initial determination date in the 1329 Investigation is currently January 25, 2025, and  
24 the target date is currently May 12, 2025.

25 The parties agree that pursuant to 28 U.S.C. § 1659 this case should remain stayed until a  
26 decision from the Commission in the 1329 Investigation becomes final. The parties will promptly  
27 inform the Court once that occurs.

28

Respectfully submitted,

Dated: November 18, 2024

Respectfully submitted,

/s/ Patrick Curran

/s/ Alyssa Caridis
